MEETING ROOM & LIBRARY ACCESS

During both VAM weeks participants are free to use the city library during opening hours (9am-1pm & 4pm-7pm).
The library is a short 5-10 minute walk from Palazzo D'Avalos.
As well as wi-fi, the library hosts a meeting room (~10 people) equipped with a projector that participants can use (good for small science meeting break-outs).

Although the meeting room will be available, we do suggest participants wanting to make use of it to book this through the following form:
